CALL FOR PROPOSALS FOR NEWLY ESTABLISHED ENTERPRISES (START-UPS) **CALL REF: EU4EG_Start-ups_2** **(ONLY FOR PRESIPA REGION (MUNICIPALITY OF RESEN))**

We are looking for innovative start-ups with growth/ scaling potential established in the Republic of North Macedonia with physical office/premises and staff in the Prespa region (Municipality of Resen) which successfully graduated the regional acceleration programme “Preda Plus Accelerator” in 2023/2024.

We are looking for start-ups with economic activity in the target area of Prespa region (Municipality of Resen) in North Macedonia which shall be provided with non-reimbursable financial support - grant (local subsidy). The local subsidy provided by GIZ shall minimize the risk of the third-party private investors which will express its intention to invest in the start-ups, so their investment can be used for operational costs during growth/ scaling-up phase.

Apply now to the EU4EG Call for Proposals and benefit from the financial support for investments enhancing managerial, technical, and business capacities of your start-up team; improving the business performance of your start-up to a higher level; boosting the local economy, and therefore creating new jobs (in particular for people under 40 years old; women; and vulnerable/marginalised groups), introducing new products and services as well as contributing to the green and circular economy and taking measures towards a zero pollution and zero waste model to prevent negative impact on the environment and climate change.

Overall Objective	Specific Objectives
To contribute in increasing the local economic activity and competitiveness in the target area of the Prespa region (Municipality of Resen) by improving access of start-ups to high value-added business support services and financing.	<ul style="list-style-type: none"> provide non-reimbursable financial support (local subsidy) to start-ups with growth potential complemented with BSSs provided by regional acceleration programme. support high value-added business initiatives including those related to the green and circular economy. mobilise third party private investments (individuals or legal entities) in the start-ups.
